

Dear _____,

My summer swim team, the Dry Diggins Dolphins, is hosting a Swim-A-Thon on Tuesday, June 22, 2010 to help raise money for our program. We've set a team goal of swimming one third of the distance to the 2012 Olympics in London, England for this season. We plan to swim the remaining distance over the next two summers, finishing just in time for the Games!

The Dolphins Swim Team has been in my community for more than forty years. During that time, thousands of kids like me have learned to love the sport of swimming through their participation on the team. We've also learned important life skills such as water safety, sportsmanship, goal setting, discipline, and physical fitness through our daily practices and weekly swim meets.

This year our Swim-A-Thon fundraiser is more important than ever, since it is the Dolphin's first year as a parent volunteer run program. After forty-three years, the City of Placerville was unable to continue the program due to budget cuts. Our families have been hard at work, making sure the team is positioned to serve our community for years to come. This season we have 187 swimmers, ages 4 through 18, taking part in this fun summertime activity. You can learn even more about my team by visiting our website at www.drydigginsdolphins.com.

Money raised by our Swim-A-Thon will go toward things such as awards, team functions, facility use, scholarships, equipment, and more. I hope that you will consider making a contribution to our Swim-A-Thon. Even a small donation of \$10.00 will help my team reach our goal, though any donation is greatly appreciated.

Sincerely,

The Dry Diggins Dolphins Swim Team is a program of Gold Rush Aquatics, Inc., a 501(c)(3) non-profit public charity, EIN# 27-1327498.
